To Whom It May Concern,

On behalf of Friends of New Hope I would like to acknowledge David Mohan and his dance group and thank them for their kind interest in the organisation.

In 2012 David initiated contact with our patron, Maggie Nolan, because he and his group of dancers wished to contribute to our fundraising by way of a dance performance. On 18th August 2012 they performed at the Indian Independence Day celebrations in Perth and then made a donation to Friends of New Hope.

The goodwill shown by David and his dancers was greatly appreciated and we wish them all the best and look forward to future involvement.

Your sincerely,

Paula Day
Secretary
