Dear David,

It was an absolute delight to have your dance group, Masti, Perform at our Bollywood themed games night on the 26th October 2012. This night was organised in the hope to raise much needed funds for the food crisis happening in the Sahel region of Africa while at the same time bringing a fun night hosted by Oxfam.

The group's performance adds a great contribution to community events and creates a sense of cultural celebration.

The audience clearly loved the dance, which was stated to us numerous times throughout the night, and helped us make our Bollywood theme so much richer.

Your team's kind donation of their time helped to make our games night a huge success, helping us raising over \$2000 towards the Sahel food crisis appeal. It has also established this event for the future.

On behalf of the State Committee, I would like to extend our sincere thanks to you and your team.

Melissa Lee
Deputy Chair
