Monday 23rd November 2015

Dear David,

Thankyou for providing your Bollywood performers at the Kingsway Christmas Function on Saturday 21st November 2015.

The performers were fantastic and well received by the client.

I was highly impressed with your professionalism and you certainly put on a great show. We received excellent feedback from the guests who attended the Christmas function.

Looking forward to working with you on future events.

Kind Regards

Georgina Terry
